Appln. No.: 10/680,929
Response dated February 15, 2006.
In Response to Office action dated November 15, 2005

REMARKS

In item 4 of the Office Action of November 15, 2005, claims 61-63 were rejected under the doctrine of obviousness-type double patenting over U.S. Patent 6,477,200. A terminal disclaimer is submitted herewith to overcome this rejection.

In item 5 of the Office Action, claims 61-63 were also indicated to be provisionally rejected under the doctrine of obviousness-type double patenting over co-pending application 10/680,929. This rejection is erroneous because 10/680,929 is in fact the serial number of the instant application. Applicant requests that this erroneous rejection be withdrawn.

Applicant requests allowance of claims 61-63.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to the deposit account of McAndrews, Held & Malloy, Account No. 13-0017.

Date: February 15, 2006

Respectfully submitted,

MCANDREWS, HELD & MALLOY, LTD.
